## ASSIGNMENT-1I

**Q B. Read the following passage and answer the questions that follow:**

Change is the law of nature. We are undergoing numerous changes from past few decades like:

- Changes in lifestyle
- Changes in food
- Changes in work
- Changes in clothes
- Changes in houses

Many changes take place in a family like-

- Some of the family members move out to study or settle down in a new place.
- Some members grow old and some new members are born.
- Some members move to new cities in search of better jobs.

Change is good for us because:

- It helps us to grow and learn.
- It creates excitement in our lives.
- It is an important part of our life.

Gender inequality refers to health, education, economic and political inequalities between men and women in India. In good old days, the jobs of men and women were clearly demarcated. But now the trends have changed. Women are actively participating in all the fields of life.

MC Mary Kom is the first lady boxer to have won the bronze medal at London Olympics for India. Mithali Raj is the face of Indian Women's Cricket team. Kalpana Chawla was the astronaut who met with a heroic death in one of the space assignments.

**Q1. Why is change good for us?**

**Q2. Why does change take place in a family?**

**Q3. Define gender inequality.**

**Q4. Explain how change is good for us.**

**Q5. What are the changes that we have undergone from past few decades?**
